

Request for Applications: SFY25 Behavioral Health Respite Capacity Building RFA

Question and Answer

1. **Q:** The Project Details identifies specific counties. Will applications from agencies based in and serving Central Ohio/other counties be eligible for consideration?

A: Only applications providing respite services in the identified regions will be considered for this opportunity.

2. **Q:** Can applicants select from the eligible activities shown or must the organization complete all relevant eligible activities? For example: As a current respite agency, must our project include “completion of a strategic plan to grow respite capacity”?

A: No, applicants may select from the eligible activities related to their status as a new respite agency or a current respite agency

Commented [SB1]: Do you think this should say Only applications providing respite services in the identified regions..... I'm having some pause on the "from".....
